### DIVIDEND

To conserve the resources for future prospect and growth of the Company, your directors have not recommended dividend for the Financial Year 2022-23.

### OPERATIONS OF THE COMPANY

Income from freight traffic and operating revenue of your company has increased from Rs.83561.98 lakh in 2021-22 to Rs. 113289.56 Lakhs in 2022-23. However, the Income from operations of your Company has increased from Rs.143888.14 lakhs in the Financial Year 2021-22. To Rs. 192738.30 in Financial Year 2022-23 The break-up of the Income from operations is as follow:

(₹ in Lakhs)

Particulars	2021-22	2022-23
Income from Freight Traffic & operating revenue	83561.98	113289.56
Construction contract Revenue	60326.16	79448.74
<b>Total</b>	<b>143888.14</b>	<b>192738.30</b>

During the year 2022-23, a total of 29058 goods trains (24268 loaded & 4760 empty) had run on the section carrying total cargo of 53.95 MT which earned revenue of Rs.113289.55 lakhs as compared to year 2021-22 in which a total of 25671 goods trains 23123 loaded & 32548 empty) had run on the section by carrying total cargo of 342.57 MT which earned revenue of Rs.83561.98 lakhs.

The net profit after tax has decreased from Rs. 12558.23\* Lakhs (restated) in 2021-22 to Rs. 8038.93 in 2022-23. The decrease in the net Profit is due to increase in Fuel cost (increase in diesel price) & Crew cost and due to capitalization of Doubling RE, thereby increasing the variable cost component of O&M cost.

**SANCTION OF TERM LOAN FOR DOUBLING AND ELECTRIFICATION PROJECTS**

As you are aware to meet the part of the finance of the Doubling and electrification projects of the Company a term loan of Rs. 1000.00 Crs was sanctioned from Punjab National Bank, disbursement of Rs. 999.41 Crs. was availed for the projects upto 31.03.2023. As you are aware, that due to Covid pandemic and other related factors, the cost of the doubling and Electrification projects was increased. The following is the revised cost of doubling and RE of the Palanpur - Samakhiali – 247.73 KM section and the RE of single line 53 KM between Samakhiali – Gandhidham executed by CORE as approved by the Board of Directors of the Company:

Sl. No.	Project	Executing agency	Cost of the project (Rs. In Crs)
1.	Doubling of Palanpur – Samakhiali Section 248 KM	RVNL	2867.16
2.	RE of Palanpur – Samakhiali Section 248	RVNL	755.00*
3.	Single line of the double line between Samakhiali – Gandhidham section measuring 53 KM length	CORE	97.67
	<b>TOTAL</b>		<b>3719.83</b>

As on date, an amount of Rs. 3353.97 Crs has been spent on the projects, which is met through term loan disbursement of Rs. 999.41 Crs from Punjab National Bank and the balance through internal accruals. For funding the additional funds requirements of Rs. 867 Crs for the projects your Board, decided to raise the funds partly by way of induction of Rs. 571 Crs through fresh Equity from existing shareholders in proportion to their existing shareholding in the Company and balance Rs. 296 Crs through additional term loan from Punjab National Bank.

The Board of the Directors of the Company in its Meeting dated 29<sup>th</sup> March 2023 approved that the contributions from the existing shareholder on right basis of Rs. 571 Crore shall be received in two cash calls of 50% each. The first cash call for up to 28,55,00,000 (Twenty Eight Crore Fifty Five Lakh) equity shares of Rs. 10/- each for cash at par of an aggregate nominal value of Rs. 285,50,00,000 (Rupees Two Hundred Eighty Five Crore Fifty Lakh Only) was made on 29<sup>th</sup> March 2023. The funds received from Shareholders shall be utilised for clearing the out standing dues of RVNL.

No material change and commitment affecting the financial position of the Company have occurred between the financial year ended on 31<sup>st</sup> March 2023 and the date of the report.

## **CONTINGENT LIABILITY OF SERVICE TAX**

A show cause notice issued to the Company by Director General of Central Excise Intelligence (DGCEI), raising a demand of Rs. 213.59 Crores relating to financial years 2009-10 to 2013-14. The reply to the show cause notice was given on 06.01.2015 and personal hearing before Principal Commissioner was held on 21.09.2015. No further communication has been received from DGCEI on the matter. Further for the year 2014-15 a demand notice for Rs. 82.07 Crores has also been received from Principal Commissioner of Service Tax, Delhi – I for which reply has been given on 24.05.2016. No further communication is received from DGCEI.

M/s Baruch Dahej Railway Company Limited and M/s Krishnapatnam Railway Company Limited had also received the similar Show Cause notices. These companies had also filled their replies to the show cause notices. After considering the detailed reply and subsequent personal hearing, the respective Adjudicating Authorities had dropped the demand of service tax for M/s Baruch Dahej Railway Company Limited and M/s Krishnapatnam Railway Company Limited. KRC had intimated vide letter dated 17.02.2016 to the Adjudicating Authority to consider the above orders, while finalising the Order in the Show Cause Notice issued to Kutch Railway Company Limited. The order of the Adjudicating Authority is awaited. No further communication is received from DGCEI.

During the year 2017-18 a Show Cause notice was received from the department for the periods 2015-16, 2016-17 and 2017-18 (upto 30.06.2017) to which the reply was submitted to the department on 18.05.2018. No further query is received from DGCEI.

persons. The supply of services by SPV to IR by way of allowing IR to use infrastructure built and owned by them during the concession period against consideration in the form of pro-rata share of revenue is a taxable supply. Similarly, services of maintenance supplied by IR to SPV is a taxable supply.

Your Company is of opinion that GST is not applicable on Freight sharing revenue and O& M cost to WR. As per the concession agreement with MoR the assets of the company are controlled by MoR and not by Company as stated by the GST council clarification. Your Company had taken up the matter with MoR. Member (Finance)/ Ministry of Railway vide letter dated 06.04.2023 has again written to Secretary, Revenue/ Ministry of Finance for granting exemption/ relaxation for SPV and MoR under the PPP Scheme from the applicability of GST. The response from the MoF is awaited.

We have audited the accompanying Financial Statements of **M/s Kutch Railway Company Limited** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March 2023, the Statement of Profit and Loss (including other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the Financial Statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matters described in the *Basis for Qualified Opinion* section of our report, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March 2023, its profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### **Basis for Qualified Opinion**

1. As explained in Note 44 of the Financial Statements, the project of Gauge Conversion work completed by Western Railway in earlier years had been duly capitalized under different heads of Property, Plant and Equipment and intangible assets on the basis of advices received from Western Railway on year to year basis which is subject to verification and reconciliation with Western Railway. Overall impact of the matter and the consequential effects on Statement of Profit and Loss and Other Comprehensive Income for the year ended 31<sup>st</sup> March, 2023, Retained Earnings as at 31<sup>st</sup> March, 2023 and on Property, Plant and Equipment and intangible assets as at 31<sup>st</sup> March, 2023 are not ascertainable and cannot be commented upon.
2. As explained in Note 44 of the Financial Statements, in earlier years, the Company had supplied material to Western Railway to the tune of Rs.11,997.00 Lakhs for completion of project of Gauge Conversion work which was capitalized under other intangible assets. The amount is subject to verification and reconciliation with Western Railway. Overall impact of the matter and the consequential effects on

Statement of Profit and Loss and Other Comprehensive Income for the year ended 31<sup>st</sup> March, 2023, Retained Earnings as at 31<sup>st</sup> March, 2023 and on trade payables as at 31<sup>st</sup> March, 2023 are not ascertainable and cannot be commented upon.

3. As explained in Note No. 5.2 of the Financial Statements, the capitalization during the year of Rs. 1,91,017.91 Lakhs in the other intangible assets "Freight Sharing Right" are accounted for in the year of advice by RVNL/western railway and accounted with the value as advised by executing agency, based on the estimated project expenditure. It constitutes a departure from the Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013 which requires capitalization of actual expenditure when the freight sharing right is received i.e. the asset is ready to use. Overall impact of the matter and the consequential effects on Statement of Profit and Loss and Other Comprehensive Income for the year ended 31<sup>st</sup> March, 2023, Retained Earnings as at 31<sup>st</sup> March, 2023 and on other intangible assets as at 31<sup>st</sup> March, 2023 are not ascertainable and cannot be commented upon.
4. As explained in Note No. 39 of the Financial Statements, advances for various project expenditure to western railway and payables to western railway are subject to confirmation, reconciliation and consequential adjustments, if any. Overall impact of the matter and the consequential effects on Statement of Profit and Loss and Other Comprehensive Income for the year ended 31<sup>st</sup> March, 2023, Retained Earnings as at 31<sup>st</sup> March, 2023, on trade payables as at 31<sup>st</sup> March, 2023 and other non-current assets as at 31<sup>st</sup> March, 2023 are not ascertainable and cannot be commented upon.
5. As explained in Note No. 52 of the Financial Statements, expenses incurred by Rail Vikas Nigam Limited on behalf of the Company on Samakhiali-Palanpur doubling projects are being accounted for based on advice of Rail Vikas Nigam Limited without verification thereof for the year ending 31<sup>st</sup> March 2023. Any discrepancies pointed out by consultant on verification of the same will be subject to confirmation from Rail Vikas Nigam Limited and adjustment in Books accordingly. Overall impact of the matter and the consequential effects on Statement of Profit and Loss and Other Comprehensive Income for the year ended 31<sup>st</sup> March, 2023, Retained Earnings as at 31<sup>st</sup> March,

2023, on trade payables as at 31<sup>st</sup> March, 2023 and other intangible assets under development as at 31<sup>st</sup> March, 2023 are not ascertainable and cannot be commented upon.

6. The Company has not accounted for the inventory of scrap available with Western Railway in the absence of details of quantity and value from western railway. Further, the Company has recognised amount of Rs. 341.53 lakh during the year from sale of scrap on the basis of advice received from western railway but no details are provided with advice regarding period, quantity and value. Overall impact of the matter and the consequential effects on Statement of Profit and Loss and Other Comprehensive Income for the year ended 31<sup>st</sup> March, 2023, Retained Earnings as at 31<sup>st</sup> March, 2023 and on Inventory as at 31<sup>st</sup> March, 2023 are not ascertainable and cannot be commented upon.
7. As explained in Note No. 23.1 of the Financial Statements, the Company has recognized the operational and maintenance cost as the provisional figures advised by the western railways for the share of operational and maintenance cost due to the Company from the operations of the goods train. Operation & Maintenance cost of earlier years in respect of operation of goods trains are accounted for in the year of advice of provisional figure by the Western railway. Further as explained in Note 28 of the Financial Statements, during the F.Y 2022-23, the Company has recognised reversal of Operation & Maintenance cost of Rs. 1,568.21 Lakhs, charged by western railways in earlier years on provisional basis in respect of operation of goods trains and refunded during the year due to the change in the percentage of the general overhead and central overhead, which has been recognised as exceptional item during the year. It constitutes a departure from the Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013 which requires recognition on income and expenses on accrual basis. Overall impact of the matter and the consequential effects on Statement of Profit and Loss and Other Comprehensive Income for the year ended 31<sup>st</sup> March, 2023, Retained Earnings as at 31<sup>st</sup> March, 2023 and on trade payables as at 31<sup>st</sup> March, 2023 are not ascertainable and cannot be commented upon.
8. As explained in Note No. 21.2 of the Financial Statements, the company has recognized the operating income as per the provisional figures advised by Western Railways for the share of revenue due to the company from the operations of goods trains. Operation revenue of earlier years in respect of operation of goods trains are accounted for in the year of advice of provisional figure by the Western

railway. It constitutes a departure from the Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013 which requires recognition on income and expenses on accrual basis. Overall impact of the matter and the consequential effects on Statement of Profit and Loss and Other Comprehensive Income for the year ended 31<sup>st</sup> March, 2023, Retained Earnings as at 31<sup>st</sup> March, 2023 and on trade payables/receivables as at 31<sup>st</sup> March, 2023 are not ascertainable and cannot be commented upon.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our qualified opinion on the Financial Statements.

#### **Emphasis of Matters**

1. We draw attention to Note 40 (ii) of the Financial Statements, the Service Tax Department has communicated that the matter has been kept in abeyance in view of the appeal on the identical issue filed by the department before Hon'ble Supreme court therefore, Further we draw attention to Note 40(ii) of the Financial Statements, which describes the demands and show cause notices raised by the Director General of Central Excise Intelligence and other departments on applicability of service tax. The Company has not made any provision for the said liabilities. Our opinion is not modified in respect of this matter.
2. We draw attention to Note 57 of the Financial statements which describes that Western Railway has computed Company's share of apportioned earnings on the basis of 'carried route' instead of 'booked route' from F.Y.2013-14 and Western Railway has deducted amounts on the matter for the F.Ys. from 2010-11 to 2012-13. The Company estimates a liability of Rs. 2,550.00 lakhs which may arise in the subsequent years related to earlier financial years (from 2006-07 to 2008-09) as and when advised by the Western Railway. Pending company's dispute against this method of calculation of apportioned earnings at various levels in Railways, the Company has not provided for the liability in the books. Our opinion is not modified in respect of this matter.

3. We draw attention to Note no. 6.1 of the Financial Statements, which describes that the Western Railway had given the estimate of Rs 2,125.00 lakhs for elimination of 30 unmaned level crossings and expenditure of Rs 1,304.72 Lakhs has been incurred by Western Railway for which company has deposited Rs 1,385.00 lakhs which has been reported under capital advances. As per management, the amount reported as capital advance is recoverable from the Western Railway in terms of Railway notification Number 2015/Infra/18/6 dated 23/11/2017 and the Company is not liable to pay any additional amount to the western railway. Accordingly, no liability has been recognised in the books for the balance amount and no impairment provision has been recognised for recoverable amount of Rs.1,385.00 Lakhs.

Our opinion is not modified in respect of this matter.

4. We draw attention to Note 40 (v) of the Financial Statements, which describes the Company's view on non-applicability of Goods and service tax on sharing of the freight revenue and O&M cost by railway. As described in note, Tax Research Unit (TRU) of the Ministry of Finance, has conveyed the recommendations of the GST council to MOR that Indian Railways (IR) and SPV are distinct person and supply of services by SPV to IR by way of allowing IR to use the infrastructure built and owned by them during the concession period against consideration in form of pro rata share of revenue is a taxable supply. Similarly, service of maintenance supplied by IR to SPV is also a taxable service.

However, management of the company is not agreeing to this view, further MOR has again made representation on various dates to Ministry of Finance, Government of India on the basis of representations made by Company requesting them to reconsider the recommendation on the basis that infrastructure is not owned by the SPVs and the agreement between SPVs and IR are revenue sharing arrangements and not service agreement etc., MoR also mentioned in its letter that "In the Government approvals for creation of SPVs also, it is clear that SPVs was merely a funding arrangement to supplement the Gross Budgetary support to meet with infrastructure requirement". Pending clarification/exemption from Ministry of Finance, the Company has not taken any provision for the said liabilities.

Our opinion is not modified in respect of this matter.

**Information other than the financial statements and auditor's report thereon**

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the

Company's Annual Report, but does not include the Financial Statements and our auditors' report thereon. The annual report is expected to be made available to us after the date of this auditors' report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report of, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Management's and Board of Directors' Responsibilities for the Financial Statements**

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Those Board of Directors is also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- (a) Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- (b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to Financial Statements in place and the operating effectiveness of such controls.
- (c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors.
- (d) Conclude on the appropriateness of management's and Board of Directors' use of the going concern basis of accounting in preparation of Financial Statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events

or conditions may cause the Company to cease to continue as a going concern.

- (e) Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### **Report on Other Legal and Regulatory Requirements**

**Annexure A to the Independent Auditors' Report on the financial statements of Kutch Railway Company Limited for the year ended 31<sup>st</sup> March 2023**

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

With reference to the Annexure A referred to in the Independent Auditors' Report to the members of the Company on the Financial Statements for the year ended 31<sup>st</sup> March 2023, we report the following:

- (i)(a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment and relevant details of right-to-use assets.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its property, plant and equipment by which all property, plant and equipment are verified in a phased manner. In accordance with this programme, certain property, plant and equipment were verified during the year. In our opinion, periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. The Company is in the process of reconciling the difference with the books of accounts and therefore we are unable to comment on the discrepancies, if any
- (c) There is no immovable property (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), held by the Company and accordingly, the requirement to report on clause 3(i)(c) of the Order is not applicable to the Company.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued any of its property, plant and equipment (including right of use assets) or intangible assets or both during the year. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Register Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment (including Right Of Use Assets) or intangible Assets does not arise.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and rules made thereunder & therefore question of our commenting on whether the Company has appropriately disclosed the details in its standalone financial statement does not arise.
- (ii) (a) The Company has not accounted for the inventory of scrap available with Western Railway in the absence of details of quantity and value from western railway. Hence, we are unable to comment on the appropriateness of the coverage and procedure of physical verification, and discrepancies of 10% or more in the aggregate for all class of inventory.
- (b) The Company has not been sanctioned working capital limits in excess of Rs. five crores in aggregate from banks or financial institutions during any point of time of the year on the basis of security of current assets. Accordingly, the requirement to report on clause 3(ii)(b) of the Order is not applicable to the Company.
- (iii) (a) According to the information and explanations given to us and based on the audit procedures conducted by us, in our opinion, during the year the Company has not provided loans, advances in the nature of loans, stood guarantee or provided security to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(a) of the Order is not applicable to the Company.
- (b) According to the information and explanations given to us and based on the audit procedures conducted by us, in our opinion, during the year the Company has not made investments, provided guarantees, provided security and granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(b) of the Order is not applicable to the Company.
- (c) According to the information and explanations given to us and based on the audit procedures conducted by us, in our opinion, the Company has not granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(c) of the Order is not applicable to the Company.

**Annexure B to the Independent Auditors' report on the financial statements of Kutch Railway Company Limited for the year ended 31st March 2023**

**Report on the internal financial controls with reference to the aforesaid financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013**

(Referred to in paragraph 2(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

We have audited the internal financial controls with reference to Financial Statements of **Kutch Railway Company Limited** ("the Company") as of 31 March 2023 in conjunction with our audit of the Financial Statements of the Company as at and for the year ended on that date.

**Management's and Board of Directors' Responsibilities for Internal Financial Controls**

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Financial Statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Company's internal financial controls with reference to financial statements.

**Meaning of Internal Financial Controls with Reference to Financial Statements**

A company's internal financial controls with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to Financial Statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements

**Inherent Limitations of Internal Financial Controls with Reference to Financial Statements**

Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Financial Statements to future periods are subject to the risk that the internal financial controls with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Qualified Opinion**

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at March 31, 2023:

- No response received for balance confirmations letters send to western railways and no system / mechanism exists to ensure reconciliation of dues with western railways as on 31<sup>st</sup> March 2023, procedure of obtaining balance confirmation at periodical interval needs to be reviewed and strengthened.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, to the best of our information and according to explanations given to us, except for the possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Company has, in all material respects, adequate internal financial controls with reference to Financial Statements and such internal financial controls were operating effectively as at 31 March 2023, based on the internal financial controls with reference to Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

We have considered the qualification reported above in determining the nature, timing, and extent of audit tests applied in our audit of the Financial Statements of the Company, and the qualification has affected our opinion on the Financial Statements of the Company and we have issued a qualified opinion on the Financial Statements.

## Accounting policies and measurement method

### Notes forming part of Financial Statements ended on 31<sup>st</sup> March, 2023

#### 1 Corporate Information

Kutch Railway Company Limited (KRC) is a public limited company domiciled and was incorporated in India on January 22, 2004 as a Special purpose Vehicle (SPV) with the objective of the gauge conversion of the existing 301 Km railway line between Gandhidham and Palanpur in Gujarat. The Company is a Joint Venture between Rail Vikas Nigam Limited (RVNL), Mundra Ports & SEZ Ltd, Kandla Port Trust and Govt. of Gujarat. The registered office of the company is located at Suit No. 15 - 22, 2nd Floor, Indra Palace, H- Block, Connaught Circus, New Delhi.

The Company has entered into a Concession Agreement with President of India, through Executive Director (Perspective Planning ) of the Ministry of Railways (MoR), Government of India, Rail Bhawan, New Delhi on November 8, 2005 granting rights to the company for commercial exploitation, development of additional facilities in the project area and right to receive/share earnings of Ministry of Railways of the tariff collected from freight traffic and other charges as per the agreement in relation of the project. It also defines obligation of the company to be performed by it. The agreement is granted for 32 years. The company has also executed a lease deed on the same day with the President of India for the use of leased assets which forms part of the concession agreement and is attached as Schedule -A thereto. Upon expiry, the company is required to hand over the project assets to Ministry of Railways free from all encumbrances whatsoever. Upon transfer the company shall be entitled to receive amount equal to book value of the project assets.

#### 2 Basis of Preparation

##### 2.1 Statement of Compliance

The financial statements as at and for the year ended 31 March 2023 have been prepared in accordance with Indian Accounting Standards (Ind-AS) notified under section 133 of the Companies Act 2013 as Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time.

##### 2.2 Basis of Measurement

(i) The financial statements have been prepared under the historical cost convention and on an accrual basis, except for the following item that have been measured at fair value as required by relevant Ind-AS:

- (a) Defined benefit Plan and other long term employee benefits
- (b) Certain financial assets and liabilities measured at fair value.

##### (ii) Current vs non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- (i) Expected to be realized or intended to be sold or consumed in normal operating cycle
- (ii) Held primarily for the purpose of trading
- (iii) Expected to be realized within twelve months after the reporting period, or
- (iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

The Company classifies all other assets as non-current.

A liability is current when:

- (i) It is expected to be settled in normal operating cycle
- (ii) It is held primarily for the purpose of trading
- (iii) It is due to be settled within twelve months after the reporting period, or
- (iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

**2.3 Use of estimates and judgment**

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, disclosure of contingent assets and liabilities at the date of financial statements and the reported amount of income and expenses. Such estimates include estimation of useful life of property, plant and equipment, intangible assets and future obligation under employee benefit plan. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on a periodic basis. Future results could differ due to changes in these estimates and difference between the actual result and the estimates are recognized in the period in which the results are known /materialize.

**2.4 Statement of Cash flow**

Cash flows are reported using the indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

For the purposes of the cash flow statement, cash and cash equivalents include cash in hand, cash at banks, net of outstanding bank overdrafts that are repayable on demand are considered part of the Company's cash management system.

**2.5 Functional and Presentation Currency**

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates (i.e. Functional Currency). The financial statements are presented in Indian rupees, which is the functional and presentation currency of the company. All financial information presented in Indian rupees and all values are rounded to the nearest lakhs upto two decimals except where otherwise stated.

**2.6 Property, plant and equipment**

(a) Property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any.

Cost of asset includes the following:

- i. Cost directly attributable to the acquisition of the assets
- ii. Present value of the estimated costs of dismantling & removing the items & restoring the site on which it is located if recognition criteria are met.

(b) Cost of replacement, major inspection, repair of significant parts are capitalized if the recognition criteria are met.

(c) An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from continued use of assets. Any gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between the sale proceeds and the carrying amount of the asset and is recognised in statement of profit or loss.

**Depreciation**

(a) Depreciation on Property, plant and Equipment is provided on pro-rata basis on Straight Line Method (SLM) over the useful life of the assets as specified in Schedule II of the Companies Act, 2013.

(b) Each part of an item of Property, Plant and Equipment is depreciated separately if the cost of part is significant in relation to the total cost of the item and useful life of that part is different from the useful life of remaining asset.

The estimated useful life of assets for current and comparative year of significant items of property plant and equipment are as follows:

**Particulars**

<b>Nature of Assets</b>	<b>Useful Life (Years)</b>
Plant & Machinery	15
Office Equipments	05
Electronic Data Processing Assets	03
Furniture & Fixtures	10
Vehicles	08

- (c) Depreciation methods, useful lives and residual values are reviewed at each reporting date, with the effect of change in estimate accounted for on a prospective basis.

## 2.7 Intangible Assets

### (a) Freight Sharing Right (Railway Line under Service Concession Arrangement :SCA)

The company recognizes an intangible asset arising from a service concession arrangement when it has a right to charge for usage of the concession infrastructure. An intangible asset received as consideration for providing construction or upgrade services in a service concession arrangement is measured at fair value on initial recognition by reference to the fair value of the services provided. Subsequent to initial recognition, the intangible asset is measured at cost less accumulated amortization and accumulated impairment losses.

The useful life of an intangible asset in a service concession arrangement is the period from when the company is able to charge the public for the use of the infrastructure to the end of the concession period i.e 32 years.

Freight sharing right is amortised using the straight line method on prorata basis from the date of addition or from the date when the right is brought into service whichever is later, to the expiry of concession period.

Amortisation methods and useful lives are reviewed at each reporting date, with the effect of change in estimate accounted for on a prospective basis.

The carrying value of intangible asset is reviewed for impairment annually or more often if events or changes in circumstances indicate that the carrying value may not be recoverable.

### (b) Other Than Freight Sharing Right

Intangible assets are recognized when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Intangible assets are stated at historical cost less accumulated amortization and impairment loss, if any.

#### Amortisation

Intangible Assets other than freight sharing right assets are fully amortised equally over three financial years, from the year in which the asset is available for use.

## 2.8 Intangible Asset Under Development :

### Freight sharing right under development

- i. Indirect expenses incidental to construction of various assets are being apportioned on pro-rata basis to respective assets.
- ii. Deposit Works contracts are accounted for on the basis of statement of accounts received from executing agencies.
- iii. In respect of supply cum erection contracts, the value of supplies received at site and accepted is treated as Intangible assets under development .
- iv. The addition/deletion in the Intangible assets under development (advised by Western Railway) are accounted for in the year of advice by Western Railway.

## 2.9 Revenue Recognition

### a) Revenue from Contracts with Customers

Revenue from contract with customers is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

#### Revenue from Railway Operation

The operating income of the company is recognized on point in time at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

#### Construction Contract Revenue under SCA

Revenue related to construction or upgrade services under a service concession arrangement is recognized based on the stage of completion of the work performed, when the outcome of construction contract can be measured reliably and where the outcome of construction contract can not be measured reliably , revenue is recognised only to the extent of contract cost incurred that is probable to be recoverable. Performance obligation

is measured by the company on the basis of inputs to the satisfaction of a performance obligation ( i.e. Input Method).

**b) Other Revenue Recognition**

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the interest rate applicable using Effective Interest rate Method.

Insurance claims are accounted for on receipt basis. Claims other than insurance claims are accounted for only on recognition of such claims by the party on whom such claim is made.

**2.10 Leasing**

- (i) The Company Recognizes a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of lease liability adjusted for any lease payments made at or before the commencement date , plus any initial direct cost incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.
- (ii) The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-to-use-asset or the end of the lease term. The estimated useful life of the right-to-use asset is determined on the same basis as those of property, plant and equipment. In addition, the right-to-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.
- (iii) The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate.
- (iv) The lease liability is measured at amortized cost using the effective interest method, it is remeasured when there is a change in future lease payments from a change in an index or rate. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-to-use asset, or is recorded in the profit and loss if the carrying amount of the right-of-use asset has been reduced to zero.
- (v) The Company presents right-to-use asset that do not meet the definition of Investment property separately on the face of the Financial statements under the "Right to Use Assets" and lease liabilities in "other financial liabilities" in the Balance Sheet.
- (vi) Short term Lease and Leases of low value assets.The Company has elected not to recognize right-of-use asset and lease liabilities for short term leases that have lease term of 12 months or less and leases of low value assets. The Company recognizes the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

**As A Lessor**

- (i) When the Company acts as a lessor, it determines at lease inception whether each lease is a finance lease or an operating lease. To classify each lease, the Company makes an overall assessment of whether the lease transfers substantially all the risk and rewards incidental to the ownership of the underlying asset. If this is the case, then the lease is a finance lease, if not then it is an operating lease. As part of the assessment, the Company considers certain indicators such as whether the lease is for the major part of the economic life of the asset.
- (ii) If an arrangement contains lease and non-lease components, the Company applies Ind AS-115 "Revenue from contract with customers" to allocate the consideration in the contract.
- (iii) The Company recognizes lease payments received under operating lease as income on a straight-line basis over the lease term as part of "Other Income".

**2.11 Impairment of non-financial assets**

In accordance with Indian Accounting Standard-36 Impairment of Assets , the carrying amounts of Company's assets are reviewed at each Balance Sheet date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated as the higher of the net selling price or the value in use. An impairment loss is recognized whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount.

**2.12 Employee Benefits**

- (a) Short Term Employee Benefits: The undiscounted amount of short term employee benefits expected to be paid for the services rendered are recognized as an expense during the year when the employees render the services.
- (b) Post-employment benefits & other Long Term Employee Benefits:
- i. Retirement benefits in the form of provident fund and National Pension Scheme (NPS) are defined contribution schemes. The company has no obligation, other than the contribution @10% of Basic pay plus dearness allowance payable under such scheme and Charges payable for operation of the Pension scheme will be borne by the Company. The contributions to the provident fund and NPS are charged to the statement to the Profit and loss for the year when the contributions are due.
  - ii. Under the defined retirement plan, the company provides retirement obligation in the form of Gratuity. For defined retirement plans, the difference between the fair value of plan assets and the present value of plan liabilities is recognized as an assets and liabilities in the statement of financial position. The cost of providing benefit is determined on the basis of actuarial valuation using the projected unit credit method at each year-end and is charged to the Statement of Profit & Loss.
  - iii. Provision for long term Leave Encashment is made based on actuarial valuation at the year end. Actuarial gains or losses in relation to the Leave encashment are recognized in Statement of profit and loss account.
  - iv. Actuarial gains or losses in relation to the Gratuity are recognized in other comprehensive income.
  - v. Re-measurements recognised in other comprehensive income comprise of actuarial gains or losses that are not reclassified to profit or loss from other comprehensive income in subsequent periods. Retirement Benefits Liability in respect of Gratuity and leave encashment is provided on the basis of actuarial valuation.

**2.13 Taxes**

**(a) Current income tax**

- i. Current income tax is determined as per the provisions of the Income Tax Act in respect of taxable income for the year.
- ii. Current income tax assets and liabilities for current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. Liability for additional taxes, if any, is provided / paid as and when assessments are completed.
- iii. Current tax related to OCI Items is recognized in Other Comprehensive Income (OCI).

**(b) Deferred tax**

- i. Deferred income tax assets and liabilities are recognized for temporary differences which is computed using the tax rates and tax laws that have been enacted or substantively enacted at the reporting date.
- ii. Deferred income tax asset are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.
- iii. The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.
- iv. Deferred tax related to OCI Item are recognized in Other Comprehensive Income (OCI).
- v. The company has started availing the deduction u/s 80IA of the Income Tax Act, 1961 from the Assessment Year 2013-14, due to which there will be a tax holiday period of 10 years i.e. up to Assessment years 2022-23. Therefore in accordance with Ind AS-12, the deferred tax in respect of timing differences which are likely to be reversed during the tax holiday is not recognised to that extent.

**(c) Minimum Alternative Tax**

Minimum Alternative Tax credit is recognized as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

#### **2.14 Earnings Per Share**

In determining basic earnings per share, the company considers the net profit attributable to equity shareholders. The number of shares used in computing basic earnings per share is the weighted average number of shares outstanding during the year. In determining diluted earnings per share, the net profit attributable to equity shareholders and weighted average number of shares outstanding during the year are adjusted for the effect of all dilutive potential equity shares.

#### **2.15 Provisions, Contingent Liabilities and contingent Assets**

- (a) Provisions are recognized when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date. Provisions are reviewed at each Balance Sheet date.

Provision which expected to be settled beyond 12 months are measured at the present value by using pre-tax discount rate that reflects the risks specific to the liability. The increase in the provision due to the passage of time is recognized as interest expenses.

- (b) Contingent Liabilities are disclosed in either of the following cases:
- i. A present obligation arising from a past event, when it is not probable that an outflow of resources will be required to settle the obligation; or
  - ii. A reliable estimate of the present obligation cannot be made; or
  - iii. A possible obligation, unless the probability of outflow of resource is remote.
- (c) Contingent Liability is net of estimated provisions considering possible outflow on settlement.
- (d) Contingent Liability and Provisions needed against Contingent Liability and Contingent Assets are reviewed at each Reporting date.
- (e) Contingent assets is disclosed where an inflow of economic benefits is probable.

#### **2.16 Fair Value Measurement**

Company measures financial instruments at fair value at each reporting date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- in the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible to the company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

Assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

1. Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
2. Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
3. Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting year.

At the reporting date, the Company analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the accounting policies. For this analysis, the Company

verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The Company also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

The fair value of an intangible asset received as consideration for providing construction services in a service concession arrangement is estimated by reference to the fair value of the construction services provided.

## 2.17 Dividend to equity holders

Dividend paid/payable shall be recognised in the year in which the related dividends are approved by shareholders or board of directors as appropriates.

## 2.18 Financial instruments:-

### (a) Initial recognition and measurement

Financial Instruments recognized at its fair value plus or minus transaction costs that are directly attributable to the acquisition or issue of the financial instruments.

### (b) Subsequent measurement

#### Financial Assets

Financial assets are classified in following categories:

#### At Amortised Cost

A financial asset shall be measured at amortised cost if both of the following conditions are met:

- i. the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- ii. The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets measured at amortised cost using effective interest rate method less impairment if any. The EIR amortisation is included in finance income in the statement of profit and loss.

#### At Fair Value Through Other Comprehensive Income

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the P&L. On de-recognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to P&L. Interest earned is recognised using the EIR method.

#### At Fair Value Through Profit and Loss

FVTPL is a residual category for financial Assets. Any financial assets, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the company may elect to designate financial asset, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. If doing so reduces or eliminates a measurement or recognition inconsistency. The company has not designated any financial asset as at FVTPL.

#### Financial liabilities

#### Financial liabilities at Amortised Cost

Financial liabilities initially recognized at fair value, and subsequently carried at amortized cost using the effective interest rate method.

#### Financial liabilities at FVTPL

The company has not designated any financial liabilities at FVTPL.

**(c) Derecognising**

**Financial Asset**

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is derecognized only when the contractual rights to the cash flows from the asset expires or it transfers the financial assets and substantially all risks and rewards of the ownership of the asset.

**Financial Liability**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognising of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in the income statement.

**(d) Impairment of financial assets:**

Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivable. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVTOCI debt instruments. The impairment methodology applies on whether there has been significant increase in credit risk.

ECL impairment loss allowance (or reversal) recognised during the year is recognised as income/expense in the statement of profit and loss.

**(e) Offsetting of financial instruments**

Financial assets and financial liabilities are offset, and the net amount is reported in the balance sheet if there is a currently enforceable contractual legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

**2.19 Non-current Assets held for Sale**

Non-current assets are classified as assets held for sale when their carrying amount is to be recovered principally through a sale transaction and a sale is considered highly probable. The sale is considered highly probable only when the asset or disposal group is available for immediate sale in its present condition, it is unlikely that the sale will be withdrawn and sale is expected within one year from the date of the classification. Disposal groups classified as held for sale are stated at the lower of carrying amount and fair value less costs to sell. Property, plant and equipment and intangible assets are not depreciated or amortised once classified as held for sale. Assets and liabilities classified as held for sale if any are presented separately in the balance sheet.

If the criteria stated by IND AS 105 "Non-current Assets Held for Sale and Discontinued Operations" are no longer met, the disposal group ceases to be classified as held for sale. Non-current asset that ceases to be classified as held for sale are measured at the lower of

- (i) its carrying amount before the asset was classified as held for sale, adjusted for depreciation that would have been recognised had that asset not been classified as held for sale, and
- (ii) its recoverable amount at the date when the disposal group ceases to be classified as held for sale.

**2.20 Material Events**

Material events occurring after the Balance Sheet date are taken into cognizance.

**2.21 Borrowing costs**

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets till such time the assets are substantially ready for their intended use. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

**2.22** The accounting policies that are currently not relevant to the company have not been disclosed. When such accounting policies become relevant, the same shall be disclosed.

## 2.23 Prepaid Expenses

Prepaid Expenses upto Rs 5,00,000/- in each case are treated as expenditure /income of the year and accounted for to the natural head of accounts.

**Prior Period Adjustments** Material prior period errors are corrected retrospectively by restating the comparative amounts for the prior periods presented in which the error occurred. If the error occurred before the earliest period presented, the opening balances of assets, liabilities and equity for the earliest period presented, are restated unless it is impracticable, in which case, the comparative information is adjusted to apply the new accounting policy prospectively from the earliest date practicable”

## 2.24 Standard/Amendments issued but not yet effective

MCA had issued the Indian Accounting Standards Amendments Rules, 2023 vide notification dated 31st March 2023. In the Indian Accounting Standards Amendments Rules, 2023, amendments has been made in following standards:-

1. First-time Adoption of Indian Accounting Standards (Ind AS-101)
2. Share Based Payment (Ind AS-102)
3. Business Combinations (Ind AS-103)
4. Financial Instruments: Disclosures (Ind AS-107)
5. Financial Instruments (Ind AS-109)
6. Revenue from Contracts with Customers (Ind AS-115)
7. Presentation of Financial Statements (Ind AS-1)
8. Accounting Policies, Changes in Accounting Estimates and Errors (Ind AS-8)
9. Income Taxes (Ind AS-12)
10. Interim Financial Reporting (Ind AS-34)

**Amendments to Ind AS 1 (Presentation of Financial Statements), Ind AS 107 (Financial Instruments: Disclosures) and Ind AS 34 (Interim Financial Reporting) with following amendments:**

- Replaced the term ‘significant’ with ‘material’.
- Requires entities to disclose their material accounting policy information instead of their significant accounting policies since ‘material’ is defined in Ind AS and is well understood by stakeholders.
- Provide guidance in determining whether accounting policy information is material or not.

### b) Definition of Accounting Estimates-

Amendments to Ind AS 8 (Accounting Policies, Changes in Accounting Estimates and Errors) with following amendments:

- Replaced the definition of ‘a change in accounting estimate’ with a definition of ‘accounting estimates’.
- Introduced the definition of ‘Accounting Estimates’ to help entities distinguish changes in accounting estimates from changes in accounting policies.
- Prescribed that a change in accounting estimate may result from new information or new developments and is not the correction of an error; and the effects of a change in an input or in a measurement technique used to develop an accounting estimate are changes in accounting estimates unless they result from the correction of prior period errors.

### c) Deferred Tax related to Assets and Liabilities arising from a Single Transaction-

Amendments to Ind AS 12 (Income Taxes) and Ind AS 101 (First-time Adoption of Indian Accounting Standards). The amendments narrow the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences, for example- in case of leases and decommissioning obligations. “

### d) Editorial corrections in Ind AS –

Amendments to Ind AS 101 (First-time Adoption of Indian Accounting Standards), Ind AS 102 (Share-based Payment), Ind AS 103 (Business Combinations), Ind AS 109 (Financial Instruments) and Ind AS 115 (Revenue from Contracts with Customers) Minor changes involving updating the references and terminology etc. that do not lead to change in the principles of Ind AS.

The effective date of these amendments is annual periods beginning on or after 1st April 2023. The Company is currently evaluating the impact of the amendments and estimated no impact on the financial statements.

- 5.1 Amortisation on other intangible assets included in note 26 Depreciation & Amortisation.
- 5.2 The addition in the above intangible assets as advised by executing agency for the Doubling & Electrification work is on the basis of project expenditure as advised by executing agency (RVNL). Addition is made on figure received till 31st March 2023 pending finalization of bills. Amortisation on additions to assets by executing agency, from its own sources or out of material supplied by company where exact date of addition is not advised by WR, was charged for half of the year till previous year (i.e. 31st March 2022). As Company has received correct commissioning date for all line commissioned for both Doubling and Electrification Project, additional depreciation is charged during the period for which depreciation was not charged previously.
- 5.3 Borrowing costs directly attributable to the acquisition or construction of qualifying assets upto the date of capitalisation till 24.02.2023 and 24.03.2023 amounting of Rs. 63422.66 lakhs for Doubling Project and Rs. 3294.04 for Electrification Project are capitalised as part of such assets.
- 5.4 The Company has received the commissioning letters from Commissioner of Railway Safety/Western Circle certifying that the doubling project and electrification project, being carried out by RVNL, has been fully commissioned on 24.02.2023 and 24.03.2023 respectively. In accordance with the expenditure sheet received from RVNL, amount of Rs. 2,74,193.00 lakhs and Rs. 56,542.75 lakhs has been incurred on the respective projects upto March 31, 2023, while as per the asset head wise details received and other charges like Departmental Charges, GST & D&G charges submitted by RVNL, total cost of doubling project and electrification project on commission is Rs. 2,43,401.00 lakhs and Rs.59,255.90 lakhs respectively. There is a difference of expenditure incurred on the doubling project as per expenditure sheet submitted by RVNL/CO and Assets head wise details submitted by CPM/RVNL/ADI by Rs.307,93.00 lakhs. The Company has capitalized the amount of Rs.307,93.00 lakhs under intangible assets – freight sharing rights on commissioning date, pending reconciliation between amount reported by RVNL/CO and CPM/RVNL/ADI. Similarly there is a difference of expenditure incurred on the electrification project as per expenditure sheet submitted by RVNL/CO and Assets head wise details submitted by CPM/RVNL/ADI by Rs.2713.14 lakhs i.e differential expenditure reported by CPM/RVNL/CO is not considered pending reconciliation between amount reported by RVNL/CO and CPM/RVNL/ADI.

**32. Disclosure of IndAS 115 “Revenue from Contracts with Customers”**

**32.1 Service Concession arrangements**

Public-to-private service concession arrangements are recorded according to Appendix “D”

Service Concession Arrangements” IND-AS-115 . Appendix “D” Service Concession Arrangements applies if:

- The Grantor controls or regulates which services the operator must provide with the infrastructure, to whom it must provide them, and at what price; and
- The grantor controls- through ownership, beneficial entitlement, or otherwise- any significant residual interest in the infrastructure at the end of the term of the arrangement.

If both of the above conditions are met simultaneously, an intangible asset is recognized to the extent that the operator receives the right to charge users of the public service, provided that these charges are conditional on the degree to which the service is used.

These intangible assets are initially recognized at cost, which is understood as the fair value of the service provided plus other direct costs directly attributable to the operation. They are then amortized over the term of the concession.

\*The Kutch Railway Company Limited (Company) has entered into a Concession Agreement with Ministry of Railways (MoR), Government of India dated 8th November, 2005 in terms of which the Ministry of Railways Grantor has authorized the Company (Operator) to develop, finance, design, engineer, procure, construct, operate and maintain the Project Railway and to exercise and/or enjoy the rights, powers, benefits, privileges authorizations and entitlements upon its completion. In terms of the said agreement KRCL has an obligation to complete construction of the project railway and to keep the project assets in proper working condition including all projects assets whose lives have expired.

The concession is hereby granted for a period of 32 (Thirty Two) Years, commencing on the Appointed Date, or such extended period as provided for in this Agreement, unless terminated earlier.

At the end of concession period, the project assets shall be handed by KRC to MOR and KRC shall be entitled to receive and MOR shall pay to KRC an amount equal to Book Value. The Existing Assets leased to KRC by MoR shall revert back to MoR without any financial consideration.

The Concession Period of 32 years, shall be extended by an equal period of time which corresponds to the period for which material disruption of Operations and Maintenance occurred during the Concession Period.

In case of material breach in terms of the agreement the MOR and KRC both have the right to terminate the agreement if they are not able to cure the event of default in accordance with such agreement.

The Operation and Maintenance of the project railway is being conducted by MOR through Western Railway (WR) under its right, vide agreement dated 21st August, 2007, which is co-terminus with the Concession Agreement, entered into between the MoR and KRC. Further, in terms of this agreement, WR is in performance of Operation and Maintenance of Project Railway from Gandhidham to Palanpur, a total distance of 300.81 Kms and KRC is to pay O&M cost to WR.

Sections:

- Gandhidham Station to Samakhiali Station measuring approximately 53.08 kms,
- Samakhiali station to Bhildi Junction Station measuring approximately 202.23 kms,

**NOTES FORMING PART OF THE FINANCIAL STATEMENT ENDED 31st March 2023**

(c) Bhildi Junction Station to Palanpur Station measuring approximately 45.50 kms.

The Palanpur-Gandhidham line was converted to broad-gauge in 2006, and currently serves two major Indian ports viz. Kandla Port and Mundra Port. It also connects the various industries (cement, salt and fertilizer) of Kutch region to their hinterlands. The line would also connect the area to the upcoming Western Railway to dedicated freight corridor as an important feeder line. In order to augment the capacity of the line significantly and handle future traffic growth, the said project needs doubling and electrification and accordingly an Addendum dated 26.10.2020 to Concession Agreement was entered into between the MoR and the Company herein, by virtue of which it was agreed that the Company to undertake (i) Doubling & Electrification of Railway line between Palanpur-samakhiali section measuring about 248 Km & (ii) Electrification of down line between Samakhiali and Gandhidham section measuring about 53 Km. in the state of Gujarat.

A construction Agreement has been entered between Kutch Railway Company Ltd and Rail Vikas Nigam Limited on 13.08.2018 for Palanpur-Samakhiali Doubling. However the work on this project has already started in earlier year.

For the year ended 31st March 2023, the company has recognized revenue of ₹ 1,92,738.30 Lakhs (₹ 1,43,888.14 Lakhs for the year 2021-22), consisting of ₹ 79,448.74 lakhs (₹ 60,326.16 Lakhs for the year 2021-22) on construction of intangible assets under service concession arrangement and ₹ 1,13,289.30 Lakhs (₹ 83,561.98 Lakhs for the year 2021-22) towards sharing of apportioned earnings from operation of railway line under service concession arrangement. The intangible asset under development represents the freight sharing rights under development to receive freight traffic earnings under service concession arrangement.

**35. Key sources of estimation uncertainty**

The followings are the key assumptions concerning the future, and the key sources of estimation uncertainty at the end of the reporting year that may have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities with next financial year.

**a) Fair valuation measurement and valuation**

The fair values of financial assets and financial liabilities is measured the valuation techniques including the DCF model. The inputs to these method are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments. See "Note-34" for further disclosures.

**b) Useful life of Property, plant & equipment**

As described in Note 2.6 - Property, plant & equipment ,company has estimated useful life of Property, plant & equipment. The financial impact of the above assessment may impact the depreciation expense in subsequent financial year

**c) Useful life of Intangible Assets**

As described in Note 2.7(b) - Intangible Assets other than freight Sharing right ,company has estimated useful life of computer software. The financial impact of the above assessment may impact the amortisation expense in subsequent financial year. As per concession agreement, At the end of concession period, the project assets shall be handed by KRC to MOR and KRC shall be entitled to receive and MOR shall pay to KRC an amount equal to Book Value. The Existing Assets leased to KRC by MoR shall revert back to MoR without any financial consideration. It is estimated that this project will continue till end of concession period therefore residual value is considered as nil for the purpose of calculation of Amortisation.

**NOTES FORMING PART OF THE FINANCIAL STATEMENT ENDED 31st March 2023**

**d) Defined benefit plan**

The cost of the defined benefit gratuity plan and other post-employment benefits and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans, the management considers the interest rates of government bodies in currencies consistent with the currencies of the post-employment benefit obligation.

**e) Taxes**

Deferred tax assets are recognised for unused tax losses to the extent it is probable that taxable profit will be available against which tax assets can be utilized. Significant management judgement is required to determine the amount of deferred tax asset that can be recognised, based upon the likely timing and level of future taxable profit together with future tax planning strategies.

**f) Revenue Recognition**

The Company recognizes revenue for a performance obligation satisfied over time after reasonably estimating its progress towards complete satisfaction of the performance obligation.

**g) Estimation of uncertainties relating to the global health pandemic from COVID-19 ( COVID-19)**

The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of receivables, unbilled revenues and investments in subsidiaries. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company, as at the date of approval of these financial statements has used internal and external sources of information including credit reports and related information and economic forecasts. The Company has performed sensitivity analysis on the assumptions used and based on current estimates expects the carrying amount of these assets will be recovered. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements.

**40 Contingent liability**

- i) One of the former employees Mr. Devendra Singh on deputation from Indian Railways has filed a writ petition on 22.07.2010 against the Company in respect of dues on account of difference in pay scales. The impact of the same has not been quantified in the writ.
- ii) During the financial year 2014-15, Company received a show cause notice from the Director General of Central Excise Intelligence, regarding the liability of Service Tax of ₹ 21,359 Lakhs and interest and penalty thereon. The Company has not accepted the liability and has submitted its reply to the Show Cause Notice on 06.01.2015. A personal hearing has also been held in this regard on 21.09.2015 before the Principal Commissioner of Service Tax, Delhi-I. A similar statement of demand cum show cause notice has also been received for F. Yr. 2014-15 on 05.04.2016 in which a demand of ₹ 8,207 Lakhs has been raised. It has also been replied on 24.05.2016. For F.Y. 2015-16, 2016-17, 2017-18 (upto 30.06.2017), the statement of demand cum show cause notice in which a total demand of ₹ 21165.83 Lakhs cum show cause notice was served on 22.03.2018, which was replied on 18.05.2018. During the current financial year department has communciated that matter is kept in abeyance in view of the appeal on the identical issue filed by the department in the case of M/s Mundra port and special economic zone limited before the Hon'ble supreme court.
- iii) Western Railway has carried out the work of elimination of 30 level crossings by converting them into mannad or by construction of RUB/LHS against the estimate of ₹ 2125 Lakhs. ₹ 1385 Lakhs has been deposited by the company towards this work till 31-03-2022. For elimination of unmanned level crossing ,Railway Board has issued instructions that the cost shall be borne by Railways, Whereas WR is of opinion that this amount

**NOTES FORMING PART OF THE FINANCIAL STATEMENT ENDED 31st March 2023**

should be borne by SPV/Company. Accordingly Company has requested to WR to refund the amount of ₹ 1385 Lakhs paid to WR towards elimination of unmand level crossing.

- iv) As per the Construction Agreement for Palanpur-Samakhiali doubling , there is a provision for contingencies of 0.5% as mentioned in estimated project cost.
- v) During the Financial year 2017-18 Goods and Service Tax(GST) has subsumed the Service Tax with effect from 1st July 2017. The Company has maintained same stand , as was taken in the matter of Service Tax, with respect to applicability of the taxes on the share of the freight received by the company from Indian Railways and the operation & maintainance cost recovered by Railways from the company . The company is of the view that no supply is involved by the company to Railway and visa-versa in sharing of freight revenue & cost by Railways with the company. Therefore there are no GSt obligations on the company in respect of sharing of the freight revenue & cost by Railway with the Company including furnishing of the particulars/ Details for the same. However ,Ministry of Railways has taken up the issue with Finance Ministry for issuing clarification/exemption.

Further, the matter had also been referred to Ministry of Railways for taking up the case with the Finance Ministry, Government of India for issuance of necessary clarifications/ confirmation and resolution of issue in the best interest both for Railways and SVPs in this regard. During the current year, Tax Research Unit (TRU) of the Ministry of Finance, Government of India, has conveyed the recommendations of the GST council in its 48th Meeting held on 17th December, 2022 to MOR that Indian Railways (IR) and SPV are distinct person and supply of services by SPV to IR by way of allowing IR to use the infrastructure built and owned by them during the concession period against consideration in form of pro rata share of revenue is a taxable supply. Similarly, service of maintenance supplied by IR to SPV is also a taxable service.

TRU in its decision has concluded the decision based on the fact that there is “supply of services by SPV to IR by way of allowing IR to use the infrastructure built and owned by them during the concession period against consideration in form of pro rata share of revenue”. However, in case of company as per Clause 2.2 of Concession agreement “The Parties agree that the Project Assets shall remain the property of MoR, the Project Railway being a Government Railway within the meaning of the Railway Act 1989”.

It is clear from reading of above para that assets are not owned by company as well company is Government Raiwlay, therefore decision as stated in TRU can not be applied in case of company. Pursuant to this, MOR has made further representations MOR has again made representation on various dates to Ministry of Finance, Government of India on the basis of representations made by Company requesting them to reconsider the recommendation:

In its representation, MOR has referred certain facts and aspects which have been left out from being considered by the Ministry of Finance, Government of India, in giving above clarification, such as:

- a) Agreements between IR and SPVs by nature are prime facie revenue sharing arrangements and are not the service agreements. Transactions between IR and SPVs are in the nature of raising fund, providing joint service of freight transport and then defying the cost of investments under various revenue sharing agreements.
- b) Activities done by IR and SPVs are part of their obligations as laid down in these sharing agreements to achieve the main and common objective to provide transportation service to the end user.
- c) SPVs do not run trains as a part of business model. IR carries out train operation on its own under the law of Land and collects total freight (along with applicable taxes thereon) from origin to destination point. Tax obligations on the common freight revenue are also discharged by IR itself. Thereafter, common revenue (after discharge of tax obligation thereon) is shared/ distributed by IR with SPVs, after defraying the related costs.
- d) Share of revenue (net after costs) which SPVs are getting from IR is just recovery of cost which SPVs have incurred in laying down of railway lines. Agreements between IR with SPVs are merely instruments/ mechanism for recovery of such cost by SPVs in form of receipt of share of freight earning net after all related costs.
- e) In the above sharing arrangement, IR shares the revenue and costs as per actual without any profit margin.
- f) Land and others structures as provided to SPVs for development is owned by IR. In the representation, MOR has also made references of latest judicial pronouncements which also verdict that no tax is involved in the sharing arrangement.

## NOTES FORMING PART OF THE FINANCIAL STATEMENT ENDED 31st March 2022

### 41 Impairment of Assets

On the basis of review, the management is of the opinion that the economic performance of non financial assets of the Company is not lower than expected and therefore there is no impairment of any assets as on the Balance Sheet date.

- 42 (i) In terms of Memorandum of Understanding (MOU) executed on 3rd January, 2004 amongst Ministry of Railways (MOR), Govt. of Gujarat (GOG), Kandla Port Trust (KPT) and Adani Ports & SEZ Ltd. (Mundra Port), the Company has been entrusted with the project of conversion of rail link between Gandhidham and Palanpur from Meter Gauge to Broad Gauge.
- (ii) The Company has got the project work of Palanpur-Gandhidham gauge conversion through Western Railways (WR) as deposit work. The Western Railways has been the executing agency for the deposit works contracts executed in respect of the project as per MOU & the Construction Agreement was executed with Western Railway on 06<sup>th</sup> October 2005.
- 43 a) The Operation & Maintenance Agreement provides for a Joint Procedure Order to be prepared by WR & Company, which has been finalized and signed on 12 December 2019 and contains computation of Operation and Maintenance cost and apportioned earnings. However, the figures have been accounted for as advised by WR based on calculation as decided in the Operation & Maintenance Agreement.
- b) Up To F.Y 2015-16, the Operation & Maintenance cost includes deferred expenses on account of overhead (i.e. salary for RPF, Accounts, Medical & Personnel and corresponding retirement benefits-DCRG, Pension, Leave salary etc.) which are not payable to WR as it is deferred for the first ten years of operation of the line and the same shall be payable by Company over a period of 20 years commencing from the 11th year of operation, in terms of clause 3.1.5 of the Operation & Maintenance Agreement.
- 44 The project of Gauge Conversion work completed by WR has been duly capitalized under different heads of Property, Plant and Equipment on the basis of advices received from WR on year to year basis. Besides that the Company has also supplied material to WR to the tune of ₹ 11,997.00 Lakhs for completion of project (capitalized under other Intangible assets / Permanent Way) which is subject to verification and reconciliation with WR.

An amount of ₹ 442.18 Lakhs is also outstanding as on 31st March 2023 (Rs. 442.18 Lakhs in Previous Year) to WR for the project work which is also subject to verification and reconciliation with WR.

### 45 In terms of the MOU:

- (i) The land, station buildings, Meter Gauge formation, bridges and all other existing assets of the Meter Gauge system will continue to be the property of MOR, and the assets so created or built or constructed by the Company shall be owned by the Company.
- (ii) MOR shall be responsible for the operations and maintenance of the broad gauge rail link between Gandhidham and Palanpur, for which it shall be fully compensated by the Company in accordance of agreement dated 21<sup>st</sup> August 2007.
- (iii) MOR shall collect earnings from the traffic originating and terminating or passing through this line, and apportion to the Company its due share after defraying the operation and maintenance cost.

**57 Carried Route and Booked Route**

Since the financial year i.e. 2013-14, Western Railway has computed Company's share of apportioned earnings on the basis of 'carried route' instead of 'booked route'. Accordingly, apportioned earnings have been reduced by Rs. 3,875.09 Lakhs for the Year ending 31.03.2020. The Company has contested against this method of calculation of apportioned earnings at various levels in Railways. The approximate amount of Rs.2550.00 Lakhs may be deducted by on this account for earlier financial years (from 2006-07 to 2008-09). The same has been estimated as follows:-

**NOTES FORMING PART OF THE FINANCIAL STATEMENT ENDED 31st March 2023**

Financial Year	Loaded Trains (no.)	Approx. deduction in Apportioned Earning on the basis of No. of loaded trains (in Lakhs Rs.)	NTKM (Lakhs)	Approx. deduction in Apportioned Earnings on the basis NTKM (in Lakhs Rs.)
2006-07	3166	500.00	1,345.00	500.00
2007-08	6617	1,100.00	21,229.00	800.00
2008-09	7696	1,200.00	24,842.00	1,000.00
<b>Total</b>		<b>2,800.00</b>		<b>2,300.00</b>

The average amount of both of above methods works out to be Rs.2550.00 Lakhs (approx.). The impact of the same will be reduction in Reserves and Sundry Debtors by Rs.2550.00 Lakhs (approx.) in the subsequent years as and when advised by the Western Railway. Further Demands for the year from 2009-10 onwards has been claimed by WR on the subject and recorded by the Company in statement of profit and loss in the year of claim but no demand has been raised for the year 2006-07 to 2008-09 which is not provided for in the books.
